

SETTING THE STAGE

for Collaborative Education and
Practice Among Health Care Professionals

Monday, June 4, 2012

*The Wilderness Hotel Glacier Canyon Lodge
and Conference Center, Wisconsin Dells*

The purpose of this conference is to provide an opportunity for nurses and other conference participants to identify innovative strategies based upon "The Future of Nursing: Leading Change, Advancing Health" report to strengthen education and practice in Wisconsin.

This conference builds upon work completed at 2011 state and regional meetings, by focusing on the key messages of improving educational systems and developing partnerships with other health care professionals.

Target audience: Nurses, health care leaders, practitioners, educators, researchers and policy makers
