

RWHC Nurse Residency Program

COHORT 1: October 2011 – September 2012

COHORT 2: January 2012 – December 2012

RWHC Program Coordinator: Cella Janisch-Hartline, RN, BSN

The RWHC Nurse Residency Program is a twelve-month structured program offering support for the nurse graduate through monthly learning days and the support of an experienced nurse, a Clinical Coach.

The goals of the program are to help the nurse resident:

- Transition successfully to a competent practitioner
- Enhance his/her ability to provide quality, evidence-based care
- Advance critical thinking ability
- Improve skills in clinical decision-making
- Commit to life-long learning
- Engage in a clinical nurse leadership role
